

COMPLETE SYSTEM SAMPLE · ICE GREY

KCberry Sample Kit

The complete KCberry system in sample format — see the colour on your own wall

Complete system

Ice Grey

Matt finish

Resin pre-tinted

12-month shelf life

Description and use

The **KCberry Sample Kit** contains the complete KCberry system — the same products as a real application — in the right quantity to make a sample on your own wall, in your own light. It comes ready to apply in **Ice Grey** with a **matt** finish: the resin is factory-tinted.

Kit contents

Component	Quantity	Function
Adhesion Promoter	250 ml	Primer — first layer
Base Microcement (Microbase)	1 kg	Base layer
Microfinishing Microcement	500 g	Finishing layer
Royal Resin, tinted Ice Grey	1 L	Liquid component + colour
Two-Component Polyurethane Varnish (solvent-based), matt	250 ml	Sealing
Varnish hardener	125 ml	Varnish component B

How to make the sample

1	Primer. Apply the Adhesion Promoter to the clean, dry test area.
2	Base. Mix the Microbase with part of the tinted Royal Resin and apply with a steel trowel.
3	Finish. Mix the Microfinishing with the remaining resin and apply in thin coats.
4	Seal. Mix the varnish with the hardener (2 : 1) and apply with good ventilation, following the varnish technical data sheet.

The mixing ratios and times for each product are given in the respective KCberry technical data sheets.

SHELF LIFE

12 months from the packing date, with containers unopened. Batch and date printed on the box.

STORAGE

Cool place, out of direct sunlight. Once opened, use according to the technical data sheet of each product.

LIMIT

Only 1 Sample Kit per customer.

Precautions

- The included varnish is **solvent-based and highly flammable**: apply with good ventilation, wearing a mask, safety glasses and gloves.
- Microcement contains cement: avoid contact with eyes and skin. Keep out of the reach of children.

COMPLETE KCBERRY SYSTEM · CUSTOMERS WHO BUY THIS PRODUCT ALSO BUY

KCberry Kits from 10 to 60 m²	Move from sample to project with the complete pre-dosed system.
KCberry Pigment	40 standard colours for the final project.
